

3 pr nurses.

lets class energy to be doing
\$ say to her if not
here.

will be here next Friday to
give the 'meds'

ins dis with by a hotel

visit
write reports to doc.

who by a d lila i she breakfast
- vitamin - water + v.

Monday class, intro. educated, many
many) female ^{A few are,} in
one down in the ^{the} others.

clean out + piss + some

Crab food, has cigarettes

I have ^{Disorders} which nobody

- understand of
- like fear of red doctors.
- on his body

my 5/11 am
just suppose
CMBW
hopeful

a way to level of intelligence +
sub a
consciousness that my cant live d
eyes of him at all. Do not my are
I. Mrs. Brown does not in home.
