

What did I do to her? Nothing
I just did it over & over again
she has memories by proxy & she's
in love with her GP who she will do
anything for \$50000

books. When I got back from Uni, in
view of 2004, I was shocked by
the ~~discovery~~ of needles in her
bedroom, tons. I did cut up a bag, &
she went crazy. He was like Jack
- touch that she screamed, I would have
transmitted out.

+ I saw my sister's eyes, + anyone so
beautiful & amazing.

+ I've been talking to the doctor regularly
for tests. What that he + I did
talk to men. + I
I told him 5,000 and so on
appo, but, because there is also

in my way with her eye like
I got 2 feet of it, but didn't
see it. Amazing. They even noticed
before. But when I was here
