

different species, apart from the normal  
world + normal people doing dirty things  
+ bad things for the doctors who are  
telling them to do these dirty things, as  
my teacher says, which annoyed me  
even more, my answer really  
indicates how wrong some of the  
word.

They wonder why, by not doing kind  
+ the patients, walking and in much, talking  
nowhere, & so removed from their  
own beliefs, it is to be alien  
understand that they would

inevitably  
Anyway, I don't intentionally  
I sometimes tell people things, but  
deliberately with my knowledge + I know  
siblings, + I did it in a way  
hospital to hide the truth. I know  
any thing near to that. Not that  
I may have noticed  
many of you are + I know  
that that's all I tried to do  
+ kind of being  
to keep people from  
general  
that's what I  
did
