A

~~not~~
I am just an ordinary girl,
And am treated well by my lover,
Who is not a prince.
But he is caring and kind,
And as handsome as could be.

He is a gentleman, a lord,
I wear my tiara proudly.
My diamonds and pearls,
My sequinned dress,
But am still not a princess.
We eat the best food.,
At the best restaurants, Claridges,
Drink the best champagne, Dom Perignon. ~~Dom Perignon~~ (okay)
Meet friends in bars,
Kensington Roof Gardens is one.
Entertain at home, dinner parties.
We get stared at,
Everywhere we go,
People wonder about us,
While he holds my hand tightly,
Never to let go.
My knight in shining armour,
Has come to call,
Swept me into the limelight.
