

## Picture of a Beach

The sun beating down,  
Children playing happily.  
Building a sandcastle,  
With a bucket and a spade.  
Cooling down in the water,  
Splashing each other.  
Or chasing one another,  
Across the sand.  
Eating ice cream  
From the vendor,  
A burst of cold,  
Tasting sweet and  
Melting in the heat.
