

The Passing of Time

It was amazing to see you again,
After what seemed like an eternity,
For the amount of time that had passed.
'I am still alive' you said , 'I'm glad' I said.

We made it to the end, you and I,
And beyond, to infinity.
That short meeting will have to suffice a while,
For we are not allowed, I know.

The time was passing, we were growing too.
Building new memories, without you.
I have one second, one hour, one year,
Until I see you again, forever.
