

To an Old Penpal

Dear Laura, it's been a long time since I saw you,

I wonder how you are, I adore you.

I miss getting those letters full of fun,

Reading them and responding done,

I waited patiently for the next,

In a hurry to read your text.

I even went to visit you,

All the way to Los Angeles too.

We had a good time, you and I,

And your boyfriend, who is fine.

After that you never wrote,

Stayed silent ~~note~~, 201 A207145A 2015.

I hope one day you are no longer quiet,

Put pen to paper and we have a pint.
